PDF [Using Active Networks Technology for Dynamic QoS](#)
www.sop.inria.fr/members/Chadi.Barakat/mon2006.pdf
File Format: PDF/Adobe Acrobat - Quick View
by T. Tansuprasit - Cited by 4 - Related articles
QoS treatment, a user can issue an active **packet** to interrupt any **active node** along ... model deploys resource **reservation** mechanism in which network resources are ... sensitive **flow** that requires high precision of **data** transmission like ...

PDF [A Survey of Active Networks](#)
drum.lib.umd.edu/bitstream/1903/5032/2/CS-TR-4422.pdf
File Format: PDF/Adobe Acrobat - Quick View
by AA Youssef - 2002 - Cited by 3 - Related articles
packet in a passive network carries only data and this data is passed opaquely without ... computations on, the user **data flowing** through them. ... defines the basic functionality of the **active node**-programming interface, although it does ... include **reservation** of a specific amount of bandwidth for traffic on the channel, or ...

PDF [A Component-based Active Router Architecture](#)
speech.nd.edu/publications/PhD-Thesis.pdf
File Format: PDF/Adobe Acrobat
by S. Schmid - 2002 - Cited by 11 - Related articles
transparent integration of active components into the router's **data** path. 2.4.1.1 Active **Packets** vs. 2.4 The **Active Node** Architecture according to the DARPA ANWG ... tions, such as resource **reservation**, real-time scheduling and multicast ... work customisation on a per-user or per-**flow** basis (possibly even through ...

[An Active Network Architecture: Distributed Computer or Transport ...](#)
www.springerlink.com/index/1135angv8Wqcxj9.pdf
by E. Hladik - 2001 - Cited by 23 - Related articles
session or connection management functions from the bulk **data packet** ... through task scheduling and resource allocation, **reservation**, and management ... The proposed active network architecture uses "**active node**" approach to ac- ... preted languages, runtime linker, JIT compilers, module that **downloads** ... **packet flow**. ...

PDF [LGC: An Active Congestion Control Mechanism](#)
netsec.edgert.edu/TAGSULPapers/onet-ams02.pdf
File Format: PDF/Adobe Acrobat - Quick View
by N. Prabhavalkar - Related articles
perform application specific computation on the **data flowing** through them. Although, with ... active nodes and is optimised for a **reservation**-less active network. ... Consider an **active node** having a total **packet** queue occupancy of 75 packets ...

PDF [GLOSSARY Active network An active network is a network that ...](#)
hdx.carb.bstream/handle/10803/6883/06/GLOSSARY.pdf?sequence=...
File Format: PDF/Adobe Acrobat
by J. Vercor-Miller - 2003
Active node. An active network node is a network node (i.e., a router) that allows performing computations up to the application layer. **Active packet**. An active ...

PDF [View or Download](#)
citeseerx.ist.psu.edu/viewdoc/download?doi=10.1.1.177.
File Format: PDF/Adobe Acrobat - Quick View
by G. Di Fatta - Cited by 18 - Related articles
load and execute user code contained in the data units (**packets**). ... programmable **active node** separately from the actual data **packets** that traverses through ... the path for the application's **data flow**, according to the user's GoS specification ...

PDF [Energy-Efficient Reliable Sensor-to-Sink Data Transfer for Wirele...](#)
scholarworks.boisestate.edu/cgi/viewcontent.cgi?article=1120...
File Format: PDF/Adobe Acrobat
by V. V. Nandanevaram - 2010 - Related articles
As aggregated **data packets** contain correlated information, a significant amount of information is This heuristic activates a minimal set of monitors when the **flow** In the ideal scenario, there is one **active node** at any point of time in one grid. ... **reservation** scheme that minimizes latency and increases energy efficiency ...

[Deploying an Active Voice Application on a Three- Level Active ...](#)
wenku.baidu.com
Aug 19, 2011 -- We also discuss AP/C algorithm that we **download** to the active network nodes to Since the burst loss rate of a **data flow** at a network node is lower than at the ... an **active node** buffers more than one **packet** of a voice flow. ... When the **packet** loss rate is lower than 10%, no **reservation** of ...
